VINPOWER DIGITAL

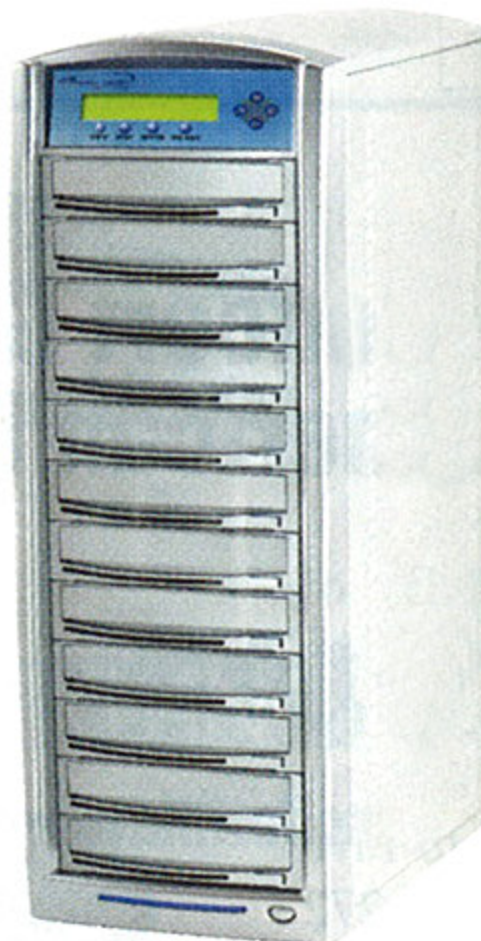

**SHARKCOPIER
DVD/CD DUPLICATOR**

VINPOWER DIGITAL has unveiled the latest addition to its popular SharkCopier DVD/CD duplicator line. The 11 target SharkCopier, utilizing Vinpower Digital's own standalone VPD11T controller, offers the ability to duplicate 11 blank discs simultaneously in a single tower.

Vinpower Digital is a forward-thinking proactive R&D-based company dedicated to providing higher quality and more user-friendly options for the end-user. The SharkCopier was the first to offer features such as the auto counter, hard-drive partition naming, load and

copy, password protection, the ability to do drive firmware upgrades through the duplicator for specific drive manufactures, true 16x DVD burn speed, account management, and the quick and the easy auto copy function.

The SharkCopier series is available with up to 11

recording drives and provides the highest quality copies quickly and accurately.
